Thank you for being a part of this ministry as we fulfill our mission "to share the Good News of Jesus Christ." Whether you helped in preparing boxes for distribution, crafting items for the boxes, filling a box (or more), or kept this ministry in prayer, you are a blessing! Our boxes are now on the way to children eager to begin their own journey in learning what life with Christ can mean. Thank you!

"A simple gift with an eternal impact"

Dear friends at Trinity,

First, allow us to thank you once again for the opportunity you gave us to visit you this summer. As has been the case in times before, we were greatly encouraged to be in your presence and feel more personally your care and concern for our family and our role in ministry in this part of the world. We covet your prayers and continued support.

Additionally, we take this moment to thank you for your most recent, very generous gift sent in our name to make it possible for us to serve the people here in Korea through our community and church. Thank you, sincerely, for your generosity.

May the Lord bless and keep us all in His grace through Jesus as we serve in our various vocations. Please note that future donations to support our mission have changed. Please call the church office for instructions.
